ANDEX Service fleet renewal advanced to March

CSAV Group is pleased to inform that the announced fleet renewal in ANDEX Service Sling 1 and Sling 2 has been advanced to March 2011.

ANDEX Sling 1 will operate **11 x 6,500 TEUs** vessels and **ANDEX Sling 2** will operate **10 x 4,200 TEUs vessels** starting with MV Papudo ETA Hong Kong 16th of March and MV CSAV Lirquen ETA Xingang 14th of March respectively.

Both services will maintain their current geographical coverage:

ANDEX Sling 1: Asia to Mexico, Peru, Chile and vice versa.

ANDEX Sling 2: Asia to Mexico, Central America, Colombia, Ecuador and vice versa.

New ships will be phased into ANDEX Service in cooperation with CMA-CGM and China Shipping Container Line (CSCL). CSAV will operate fourteen vessels, CMA CGM will operate six vessels and CSCL will operate one vessel.

This important upgrade reaffirms our commitment to satisfy our customers' requirements and consolidates our market position in the lane linking Asia with Mexico, Central America and West Coast South America.
